# February ClubNight: the Greatest Show on Earth!

easily the best

bike Tat on the  
planet!”*

Our next ClubNight will be our annual Bring ‘nBuy, featuring Derek Thom as The Greatest Showman!

## Roll up, Roll up!

Once again, Derek will get into his familiar alter ego as PT Barnum in The Greatest Show on Earth when he appears at the Cock@Budworth on Thursday 21 February.

To make a success of this event, several things need to happen:

- **You need to be there!** Get there early to bag a great seat. Showtime kicks off shortly after 8pm!
- **Bring some stuff for Derek to auction.** Ideally motorcycle related, maybe that complete GoldStar you have in the shed, or even some parts/tools/consumables etc. Derek will sell most things, but don’t bring that bald trials tyre with a 1987 date code, or that Bantam fuel tank that’s rusted through and falling apart. Derek’s speciality is GoodTat, not Cr\*pTat!
- **Bring your wallet.** You’ll need to part with some of the folding stuff in exchange for all those shiny parts. Clear out all the moths and preferably visit the ATM on the way so you don’t run out of cash!

See you there!
